

REACh SVHCs Statement - SMD TEST TERMINALS RANGE 2024

REACh - ECHA

NICOMATIC guarantees that its products listed below follow the <u>Registration</u>, <u>Evaluation</u>, <u>Authorisation</u> and Restriction of <u>Chemicals European Regulation 1907/2006 about <u>Substances of Very High Concern</u> (235 substances in the "Candidate list") including Annex XVII (71 substances restricted under REACh) and Annex XIV (Authorisation List of 59 substances) in its last update - January 2024.</u>

According to article 33 of the REACh Regulation, any supplier of article with SVHCs in a concentration above 0.1% weight by weight shall provide enough information to allow safe use of the article including, as a minimum, the name of that substance. Therefore, NICOMATIC products are included in SCIP database.
